About Us

Vishwa Geeta Ispat (formerly Vijay Laxmi Steel), founded by Shri Gopal Prasad Sultania in 1998, Vishwa Geeta has earned the trust of trade partners through 27 years of reliability and excellence in the steel industry.

Backed by a dedicated team with decades of experience, we ensure seamless operations across sales, dispatch, accounts, and logistics. Our commitment to innovation, employee well-being, and professional growth drives our success. Specializing in high-quality steel products and tailored solutions, Vishwa Geeta Ispat is more than a company—it's a family dedicated to exceeding industry standards and delivering unmatched customer satisfaction.

Mission

We deliver top-quality steel products that meet standards, fostering strong, lasting relationships with customers and suppliers. Our commitment extends to ensuring a safe, sustainable working environment for our employees.

Vision

To be the preferred choice for steel products, recognized for our commitment to quality, integrity, and customer satisfaction.
